IDENTIFICATION NUMBER: C00318931

REFERENCE: JULY QUARTERLY REPORT (04/01/2013-06/30/2013)

This is in response to your letter dated 10/29/13 requesting additional information. The reason for the high dollar amount reported on line 11(a)(ii) is that we have a large number of low-dollar donors whose aggregate total for their cycle-to-date contributions do not exceed \$200 especially since this is the beginning of the current election cycle.

The unitemized amount on this report is correct.

We make our best effort to obtain the employer/occupation information on all of our fundraising event invitations, direct mail pieces and on our website stating that "Federal Law requires us to use our best efforts to collect and report the name, address, occupation and name of employer of individuals whose contributions, in aggregate, exceed \$200 per election cycle." We also monitor an contributor's aggregate contribution total for the cycle and make our best effort to contact them if the employer/occupation information is missing once they have exceeded the threshold
